

Discover the Wonder of the Aquarium! For more than 30 years, the non-profit Monterey Bay Aquarium has been the standard by which all other aquariums are judged. It's hailed by peers and public alike for its innovative exhibits and unsurpassed visitor experience. Home to nearly 35,000 animals and plants, the Aquarium is a showcase for the sea life of one of the world's richest marine regions, from sea otters and jellyfish to sharks, sea turtle, octopus and hundreds of other species. Changing special exhibitions, hands-on activities and lively daily programs make the Aquarium a must-see attraction for all ages.
